

## 99TH GENERAL ASSEMBLY

### State of Illinois

2015 and 2016

SB3014

Introduced 2/18/2016, by Sen. Sue Rezin

#### SYNOPSIS AS INTRODUCED:

220 ILCS 5/16-122

Amends the Public Utilities Act. Provides that an electric utility serving more than 1,000,000 customers shall make available at no cost to an alternative retail electric supplier a list of customer names and addresses of residential and small commercial customers who have not been declared competitive for the purpose of marketing alternative retail electric supply service. Provides that the Illinois Commerce Commission may allow additional information on the lists if it finds the information necessary to allow innovative product offerings. Provides that customers shall have the right to remove their information from the marketing list at least annually. Effective immediately.

LRB099 19665 EGJ 44062 b

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by changing  
5 Section 16-122 as follows:

6 (220 ILCS 5/16-122)

7 Sec. 16-122. Customer information.

8 (a) Upon the request of a retail customer, or a person who  
9 presents verifiable authorization and is acting as the  
10 customer's agent, and payment of a reasonable fee, electric  
11 utilities shall provide to the customer or its authorized agent  
12 the customer's billing and usage data.

13 (b) Upon request from any alternative retail electric  
14 supplier and payment of a reasonable fee, an electric utility  
15 serving retail customers in its service area shall make  
16 available generic information concerning the usage, load shape  
17 curve or other general characteristics of customers by rate  
18 classification. Provided however, no customer specific  
19 billing, usage or load shape data shall be provided under this  
20 subsection unless authorization to provide such information is  
21 provided by the customer pursuant to subsection (a) of this  
22 Section.

23 (c) Upon request from a unit of local government and

1 payment of a reasonable fee, an electric utility shall make  
2 available information concerning the usage, load shape curves,  
3 and other characteristics of customers by customer  
4 classification and location within the boundaries of the unit  
5 of local government, however, no customer specific billing,  
6 usage, or load shape data shall be provided under this  
7 subsection unless authorization to provide that information is  
8 provided by the customer.

9 (d) All such customer information shall be made available  
10 in a timely fashion in an electronic format, if available.

11 (e) An electric utility serving more than 1,000,000  
12 customers shall make available at no cost to an alternative  
13 retail electric supplier a list of customer names and addresses  
14 of residential and small commercial customers who have not been  
15 declared competitive for the purpose of marketing alternative  
16 retail electric supply service. The Commission may allow  
17 additional information on the lists if it finds the information  
18 necessary to allow innovative product offerings. Customers  
19 shall have the right to remove their information from the  
20 marketing list at least annually.
